

Lecico
The Art Of Ceramics

A TRULY INTERNATIONAL COMPANY

Founded over 50 years ago in Lebanon, Lecico has grown to become a world leader in bathroom ceramics through product and systems innovation.

With one production plant in Lebanon, seven in Egypt and close to 6000 employees, Lecico is the leader in its markets and exports half of its production to over 20 countries in Europe, the middle East and Africa with substantial market share in England, Ireland, France & Germany.

Lecico's commitment to quality is the foundation of its success and continued growth.
